

Good Morning All!

Attached is the NFL October Newsletter, SM Message, and Update ARES Roster for your review – fell free to distribute freely and post all on your web pages.

A reminder this Saturday Oct 4th is the SET, I'm aware of a few groups involved, please encourage participation, and PLEASE send a report to Bob Mitchell W4HKG our New SEC.

The State EOC and State FLDOT stations will be active on a variety of modes/bands, should you wish to try to communicate with either. They should be available from about 9:00AM to 1:00 pm EDT.

I will be at the Orange Park Hamfest this Saturday morning, and the following week the Melbourne Hamfest. Maybe see you there!

Stay safe, have fun, and THANK YOU FOR YOU EFFORTS!

73!
