

The ARES Letter for July 17, 2019

NFL Section Hurricane Exercise August 3, 2019

The first annual ARRL Northern Florida Section Hurricane Exercise will be held on Saturday, August 3, 2019, from 0800-1000 hours eastern time. The exercise has a limited function: to test the section's HF voice and digital ability to send and receive message traffic between county Emergency Operations Centers and the State Emergency Operation Center in Tallahassee. The exercise plan includes two messages for each county EOC to send to the State EOC by either voice or Winlink. Stations will also check into the [SARnet](#) as indicated in the plan. [The Statewide Amateur Radio Network (SARnet) is a network of linked UHF voice repeaters that serves the State of Florida.]
